Sana Educational Charitable Trust.

Dr. ABDUL QADEER
Executive Trustee,

Sana Educational Charitable Trust & Chairman, Shaheen Group, Bidar.

Dear Students,

As you step on the threshold of an important phase in life, the gateway in building your future, SANA welcomes you wholeheartedly to the HOME OF SUCCESS... we not only guide the knowledge seeker in you but will also help you gather the wisdom that will be the stepping stone to attain success in all that you venture to do.

In today's challenging world, the right ecosystem with the magical blend of knowledge, experience, wisdom and a friendly approach to preparing for life, goes a long way in pursuing goals. The competitive spirit, the zeal to succeed, dedication to complete set tasks, determination to not quit, punctuality, politeness are values emphasized and imbibed at SANA.

Our team of faculty, student counsellors and staff, strive hard to provide all necessary support and encouragement to see that each student brings out the best of themselves. Our tailor - made courses help each one to recognize and build their strengths. The home-grown programs include strategies to uncover the natural capabilities of the student in such a manner that not only improves their insight but also enhance their critical thinking abilities. Each department receives ample attention, support and scrutiny from the Management to ensure the high standards of Quality are not compromised.

SANA extends a warm welcome to the dedicated and the determined to come, create, cherish and experience the HOME OF SUCCESS.

Our Vision

To provide affordable quality education, by equipping students with knowledge and skills in their chosen stream, inculcate values, identify hidden talents, provide opportunities to realize their full potential and thus shape them into future professionals, entrepreneurs and above all good human beings.

Our Mission

To strive for quality education in keeping with the motto of the college, "Excellence in Education" and prepare young minds for imbibing knowledge, skills and sensitivity.

Our Values

Values specially moral values play an essential role in any student's life. They help build a positive character with traits such as compassion, respect, kindness, and humility. Values also help in shaping student's attitudes and beliefs towards various aspects of life and provide them with a unique perspective.

The Integrated School Programs provide Students with a synergistic approach to both the School / Board studies as well as JEE Advanced, JEE Main, Other Engineering Entrance Exams preparation. The program has a study plan to ease out the pressure of time management for the Student, unlocking lots of extra time, giving enough time for self-studies, which a Student would not have got otherwise and also giving him / her sufficient time for co-curricular activities, sports, social activities etc. which are equally important for his / her personality development.

Through the Integrated School Programs, Students develop proficient communication skills with confidence. The program also inculcates Sports / Exercises as a discipline in Students from early on. The improvement of Memory & IQ, Mental, Physical & Spiritual well-being, Awareness & growth with intensive Yoga & Meditation for all Students is also a critical component of the program. Students will also embrace Indian Cultural Values to lead more fulfilled and cherished lives.

Why Choose This Program?

Subject Knowledge

The program will cover subjects like Physics, Chemistry, Mathematics, Biology and Social Studies with relevant study material by Megacosm Cognitions.

Better Analytical Abilities

The program prepares Students with sharper analytical skills, evolved thinking processes and better mental abilities to solve all problems.

Additional Learning

Sana also covers the syllabus for NSEJS (Jr. Science Olympiads Stage-1) for qualified Students in Class IX and Class X for IJSO, as this level demands topics from higher classes.

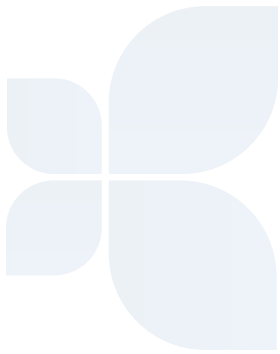

NTSE Preparation

At Sana, the preparation for NTSE will continue even after the completion of this program.
